Today's Question

What's the best thing you ever bought?

The best thing I ever bought was an old piano. I bought it in a used-furniture store last month. It was the most beautiful piano in the store, but it wasn't very expensive. It has a beautiful sound. Now my two children are taking piano lessons. I love to hear music in the house.

I bought a used van five years ago. I used my van to help people move and to deliver stoves and refrigerators from a secondhand appliance store. I made a lot of money with that van. Now I have my own business. That van is the best thing I ever bought.
